NEW YOUTH STUDENT INFO

Dear Student(s)/ Parent(s)

Thank you for choosing Master Kim's Iron Horse Taekwondo Academy for your training. Our Academy goals begin with you, as individual, and expand to the community. More specifically stated, our goals are as follows:

1. Guide students of all ages to reach their goals and their maximum potential, enhancing the quality of each individual's life.
2. Foster individual internalization of Taekwondo – achieving equilibrium and making it possible for everyone to experience physical, mental and spiritual harmony.
3. Encourage students to channel the positive outcome of accomplished goals and internal balance into the community that surrounds them.

To get the most from your training and to help you feel more comfortable in IHTA, we'd like to share the following information and some guidelines:

DROP OFF PROCEDURE - 5 minutes before class - students must be quiet and respectful. Must be picked up with 10 minutes after class ends (0 minutes for Little Champions). Parents are not usually required to stay for class. Observation is allowed from parent waiting area only (first come, first seated - seats are not guaranteed).

ATTENDANCE CARD - Students must scan the card from the rack. Late students must stand at the entrance of the classroom and ask permission to enter the class. A minimum of 5 classes per month is required for a tip test. We expect a solid commitment from our students because we are committed to their progress. Tae Kwon Do requires year round participation but its benefits far exceed those of any conventional sport. Please communicate to an instructor of any scheduling obstacles.

PERSONAL BELONGINGS - Please put all your belongings neatly along the left side wall before class. Put your shoes and socks neatly in the areas provided. Please put your full name on all equipment and belongings.

ENTERING/ LEAVING THE DOJANG - Always bow to the flags to show your respect.

PARENT-TEACHER APPROVAL - One of our main objectives is to develop well-rounded students, not only in Martial Arts but in society as well. Before a student is able to apply for the next belt, they must demonstrate that they are doing well in school and at home. Approval from their teachers and parents should be written on the Parent-Teacher form that will be part of your belt test application.

PROMOTION TESTS - Each belt has a particular curriculum. Curriculum sheets are available and you should always have one for your current belt level. There is a different time period required between each new belt level (this is listed on the curriculum sheet). There is a range of testing fees from no belt through Black Belt. Promotion tests are held every other month and the times of the test are posted in the IHTA. No regular class will be held on Promotion Test Day.

PRACTICE - It is important to try and spend some time practicing your skills each day at home. The time can be short, but consistency is important for children, practice should be FUN! One of the ways to self-improvement and for a skill to become second nature is through practice.

WAITING AREA - Please keep as quiet as possible during class. Students learn best when they are not distracted by noise and outside activity. No food is allowed. If your child must eat, a parent/ guardian must stay with them to supervise.

QUESTIONS OR SUGGESTIONS - Please direct your concerns, questions or suggestions to a staff member. We welcome new ideas and your input! (Text: 719-550-1777 or E-mail: coironhorsetkd@gmail.com)

SPECIAL EVENTS - Throughout the year, Iron Horse TKD Academy holds numerous special events. This may include Bi-Annual Black Belt Awards, Christmas Parties, Summer Camps and more! Watch out for upcoming events! These are a great way to get to know other students and families of Iron Horse TKD Academy!

WELCOME TO THE EXCITING WORLD OF IRON HORSE TAE KWON DO ACADEMY!!

LEARN HOW TO TIE YOUR BELT

WE WORK HARD TO EARN OUR TIP AND BELT SO WE ALWAYS HAVE TO SHOW RESPECT TO OUR BELT. WE CAN DO THAT BY MAKING SURE WE KNOW HOW TO TIE CORRECTLY. HERE IS HOW WE DO IT:

1. Take the middle of your belt and place it on your belly button.

2. Wrap the belt around your waist, bringing both ends to the front.
3. Make sure the ends are even. Put the right end over the left end.
4. Now take that end and pull it up under both of the other layers.

5. Make sure it is neat and snug, and then lay the top end down.
6. Curve the bottom end to make a loop.
7. Now pull the top end back up through the loop.

8. Pull both ends horizontally, tightening your knot.

Wow! Good job, you look great!
